OSLAD GRANT – The Park Board Committees reports are as follows:

Gazebo Area/Walking Trail- Question to the Board of Directors: Is the Village able to hire someone to help maintain the park plants (this would be only for a few hours monthly)? With the addition of a gazebo and shrubs, there will be a need for someone to keep the area looking nice. The Park Board has concerns regarding the entrance to the park and how it is maintained at this time. If we are going to add new plants to the park, they must be kept up with.

Discussed the need for 100 amp service to the gazebo.

Park Structures/Play Equipment/Skate Park- Additional plans for the play equipment will be sent via email.

Pool/Splash Pad/Fitness Area- Discussion regarding the updates needed for the bathrooms. To be ADA compliant, the stalls need widened and entrance/exit to the stalls changed. Also, the toilets and sinks need to be changed due to their poor condition.

Reminder to all Park Board Members – There will be no meeting for December. Have a wonderful Christmas season. We will meet again on January 12, 2010.

Minutes recorded and respectfully submitted by Melanie Brink, Park Board Member
