5:30 p.m. at New Baden Village Hall

1. CALLED TO ORDER

2. READING AND APPROVAL OF THE MINUTES

3. GUESTS – Unlimited Play

- presented the board with an all-inclusive playground. Would need min of \$10k to initiate the process and from there looking at about a 2 year contract/timeframe. Typical cost for a decent/good area starts at about \$300-350k. Funding would come from city, donations, fundraising events, sponsorships, possible grants, etc. Board was tasked with getting the word out on the idea and spreading awareness.
