Vacancies shall be filled in the same manner as initial appointment, but shall only be effective for the remainder of the unexpired term. All members of the Plan Commission shall serve without compensation, except that if the Village Board deems it advisable, they may receive such compensation as provided by the Village Board.

All terms existing on the effective date of this amendatory provision shall automatically expire on April 30, 2017, or until such time as a qualified replacement is appointed by the Mayor and approved by the Village Board. The Mayor shall make such appointments, and the Village Board shall consider such appointments, at the first Regular Meeting of the Village Board in May 2017, and at each first Regular Meeting of the Village Board in May of each successive four (4) year increment. Such plan may be adopted in whole or in separate geographical or functional parts, each of which, when adopted, shall be the

official comprehensive plan or part thereof of the Village. Such plan shall be advisory except as to such part thereof as has been implemented by ordinances duly enacted by the Village Board.

All requirements for public hearing, filing of notice of adoption with the County Recorder of Deeds, and filing of the plan and ordinances with the Village Clerk shall be complied with as provided for by law. To provide for the health, safety, comfort, and convenience of the inhabitants of the Village and contiguous territory, such plan or plans shall establish reasonable standards of design for subdivisions and for resubdivisions of unimproved land and of areas subject to redevelopment in respect to public improvements as herein defined and shall establish reasonable requirements governing the location, width, course, and surfacing of public streets and highways, alleys, ways for public service facilities, curbs, gutters, sidewalks, street lights, parks, playgrounds, school grounds, size of lots to be used for residential purposes, storm water drainage, water supply and distribution, sanitary sewers, and sewage collection and treatment. The requirements specified herein shall become regulatory only when adopted by law.

(C) To recommend to the Village Board from time to time, such changes in the comprehensive plan or any part thereof, as may be deemed necessary.

(D) To prepare and recommend to the Village Board from time to time, plans and/or recommendations for specific improvements in pursuance to the official comprehensive plan.

(E) To give aid to the officials of the Village charged with the direction of projects for improvements embraced within the official plan or parts thereof, to further the making of such improvements and generally, to promote the realization of the official comprehensive plan.

(F) To arrange and conduct any form of publicity relative to its activities for the general purpose of public understanding.

(G) To cooperate with municipal or regional plan commissions and other agencies or groups to further the local plan program and to assure harmonious and integrated planning for the area, subject to approval of the Village Board.

(H) To exercise such other powers germane to the powers granted under authority of an act of the General Assembly of the State of Illinois, as may be conferred by the Village Board.

**4-1-6**            **LAND SUBDIVISION OR RE-SUBDIVISION AND THE OFFICIAL MAP.** At any time or times before or after the formal adoption of the official comprehensive plan by the corporate authorities, an official map may be designated by ordinance, which may consist of the whole area included within the official comprehensive plan or one or more geographical or functional parts and may include all or any part of the contiguous unincorporated area within **one and one-half (1 1/2) miles** from the corporate limits of the Village. All requirements for public hearing, filing notice of adoption with the County Recorder of Deeds and filing of the plan and ordinances, including the official map with the Clerk shall be complied with as provided for by law. No map or plat of any subdivision or re-subdivision presented for record affecting land within the corporate limits of the Village or within contiguous territory which is not more than **one and one-half (1 1/2) miles** beyond the corporate limits shall be entitled to record or shall be valid unless the subdivision shown thereon provides for standards of

design and standards governing streets, alleys, public ways, ways for public service facilities, street lights, public grounds, size of lots to be used for residential purposes, and distribution, sanitary sewers, and sewage collection and treatment in conformity with the applicable requirements of the Code, including the official map. (E)                To divide the entire municipality into districts of such number, shape, area, and of such different classes (according to use of land and buildings, height, and bulk of buildings, intensity of the use of lot area, area of open spaces, or other classification), as may be deemed best suited to carry out the purpose of this Section.

(F)                To fix standards to which buildings or structures therein shall conform.
