

# Upcoming Public Meetings

A town hall meeting is an American term given to an informal public meeting, function, or event derived from the traditional town meetings of New England. Typically open to everybody in a town community and held at the local municipal building, attendees generally present ideas, voice their opinions, ask questions of the public figures, elected officials, or political candidates at the town hall. Attendees rarely vote on an issue or propose an alternative to a situation. It is not used outside of this secular context.

## Traffic Safety Notice

Road traffic safety refers to methods and measures for reducing the risk of a person using the road network being killed or seriously injured. The users of a road include pedestrians, cyclists, motorists, their passengers, and passengers of on-road public transport, mainly buses and trams. Best-practice road safety strategies focus upon the prevention of serious injury and death crashes in spite of human fallibility (which is contrasted with the old road safety paradigm of simply reducing crashes assuming road user compliance with traffic regulations). Safe road design is now about providing a road environment which ensures vehicle speeds will be within the human tolerances for serious injury and death wherever conflict points exist.
